Pump Static Mixers Now Available

Euclid Chemical now offers static mixers and retaining nuts used to meter, mix, and dispense QWIKjoint 200 (and any joint filler) through mechanical pumps.

Here are the dimensions of the mixers:

Length	13.86 inches
Number of Elements	32
Inner Diameter	0.394 inch
Outer Diameter	0.551 inch
Nozzle Tip Diameter	0.118 inch

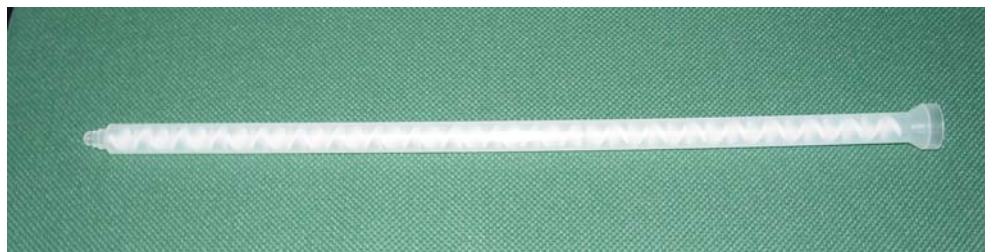

The retaining nut slides over the mixer and attaches it to the pump applicator wand.

Pricing (from page 20 of the February 2011 Distributor Price List)

QWIKjoint Pump Static Mixer	\$1.65 each
QWIKjoint Pump Static Mixer Retaining Nut	\$0.50 each

Make sure all your QWIKjoint and Euco 700 (10 gallon unit) stocking distributors have a bunch of these mixers in stock!

Contractors will appreciate being able to buy the joint filler and pump static mixers from one source.

Call Jen with any questions.
