

TAMOSEAL AND TAMMS STUCCO FINISH

Color Selection Guide

Standard Colors

GRAY

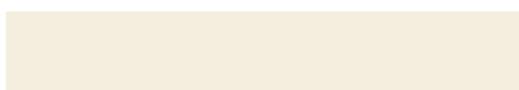

WHITE

Special Colors

Special Colors are made-to-order and are subject to minimum requirements.

OYSTER

ALPINE

NAVAJO

PEARL

SILVER

SUMMER

The colors shown on this chart are approximate. Variations in actual product color will occur due to surface absorption, light reflection, water content, final finish or texture, and thickness of application. If color is critical, Euclid Chemical recommends a product mock-up be made and approved on the jobsite.
