

CONCRETE STAIN SEALER

PIGMENTED ACRYLIC SEALER

CONCRETE STAIN SEALER is a pigmented, 100% acrylic sealer designed specifically for application on concrete and all other masonry surfaces. Available in both solvent and water-base, there is a formula that's right for either interior or exterior applications. **CONCRETE STAIN SEALER** protects and enhances the surface of any plain or decorative concrete while providing an easy to clean surface. Restore and beautify unsightly or dull concrete surfaces or add stunning color and accents to new concrete surfaces. **CONCRETE STAIN SEALER** comes in 30 standard colors for all environments. Custom colors available in all formulas.

CUSTOMER SUPPORT
